

DONATION FORM

August, 2024

Thank You for taking the time to consider donating to the Midland Titans Program.

Our organization has been in existence since July 2019.
Our program consists of players currently of ages 07u through 18u.

Our teams compete against locally and across the country with exposure to thousands of people throughout the year. Additionally, our teams proactively search for additional community programs for our kids to participate in. That means your donation will help facilitate not only tournaments, but various events to promote youth sports in a positive manner and in relation to society.

Our players and families commit to uniforms and training costs up-front every six months. In addition to these costs are fees for events that also are out of pocket to families. Families look forward to donations to help offset their commitments.

All donations apply to events such as:

- ✓ Tournaments
- ✓ Tournament Fees (umpires, gate fees)
- ✓ Family Hotel and/or travel to events
- ✓ Team social gatherings

Each six-month season, teams generally play 6-8 tournaments. Tournaments generally cost on average \$700.

On behalf of the teams and families we appreciate the consideration by donors. This allows for a more proactive planning to compliment our training and development. Above all, our goal is to provide a structured program to develop and grow our student-athletes.

If you have any questions, please feel free to contact me at your convenience.

Thank you,

Nick Brown
